

CALL FOR ARTICLES

Call for submission of at-large articles by e-mail to the Issue Editor on specific upcoming issues of the Journal of Contemporary Water Research and Education, scheduled for publication in 2009. These issues are:

(1) Integrated Watershed Management in Developing Countries. Issue Editor, Bruce Hooper, DHI. bph@dhigroup.com Deadline for Submission: Dec 31, 2008; and

(2) Water Reallocation Under Prior Appropriation. Issue Editor, O. Paul Matthews, University of New Mexico. opmatt@unm.edu. Deadline for Submission: Dec 31, 2008.

Acceptance of articles submitted is contingent on peer-review. Look for additional article submission invitations for upcoming issues in coming months.

SPECIAL ISSUE INVITATION

If you have a concept for a special issue of the Journal of Contemporary Water Research and Education to be published in 2010 or thereafter, please contact Christopher Lant, Executive Director and Editor of JCWRE at clant@siu.edu or at 618-453-6020.
